

PRE-HOLIDAY SALE

All prices will be reduced 15% to 50%.

Three days only: November 16 – 18, 2017

Renegade Art Glass is once again having a pre-holiday sale. As an annual thank you for our customers, we are offering significant discounts for beating the shopping rush!

All items in our gallery will be 15% off. In addition, we will be bringing out all of our back-room items and selling them for 30 to 50% off.

Our online customers will be able to join in too! Email us (info@renegadeartglass.net) to get a coupon code for 15% off and more on the sale days.

If you haven't stopped by for a while, you will want to see the dozens of new bowls, trays, décor items and light fixtures that we now have on display.

We hope to see you then!
